Dear Lesley and [REDACTED],

Just wondering how Mr Epstein and his guests are coming to the Premiere this evening?

Guessing they will have a driver? If so they can get in by using the red carpet way on the Champs Elysées side.

Don't hesitate to ask for me (or Françoise Levi in cc) at the cinema entrance after the escalator so that we can escort them to their reserved seats.

Many thanks in advance and best regards.

Hi Peggy,

I'm looping in Damien Golla who can help with the 10 seats for Paris.

Please pass along the names and email addresses/contact info and he will send out invitations.

Thank you!

Sara

#1. Spoke to Farrah...we are all organized. I am focusing on the famous...than the rich. We are helping to contact actors that are possibly on her list as well. She is seating my 30 seats together and 24 of my 30 are gone.

#2. Need the Paris contact for our 10 seats. Prince/Princess d'Arenberg may come. Also will look for Michel Hazanivicious and Berenice Bejo from "The Artist" for Paris...not sure Jean is talking to them. Will check.

We are very excited about NYC premiere tonight. Have a very sophisticated crowd who will love the film because the own or are still looking for all this art.

xoxo Peg
