Hi [REDACTED] and Brice...I asked JE if it would be ok for Brice to speak with Jack today at 6:30 re the well and he said, no he would like to speak with Jack himself...did Brice have an actual "phone date" with Jack tonight at 6:30pm? If so, I'm thinking Jeffrey should just take the appointment and call Jack himself?...

Hi [REDACTED]
You should be able to get the book in NYC
We have a copy here if I need to send
You can mention he called for an hour
Telling me what he has done over the last 20 years, I really did not say much as he had a lot to say
Again this is all about a Well called Popes Well which he trying to get info on
Has a lot of history on this, put him off until 6:30pm today, Brice was going to call since this is more his area, someone else can call if they like
Clearly he has all contact numbers via Lucy whom JE got everyone to reach out to
Have checked him out as best as I can - seems the real deal
Let me know if JE does not want us to make contact with him
Thanks
K

Lucy Lippard of Galisteo gave my number to a historian named Jack Smith who left me a voicemail asking if he can go on the ranch sometime. [REDACTED]
Should I have someone call him back?

I have Lucy's info in my contacts, so this must be someone we reached out to at some point. In notes I have her as the author of Down Country
