Larry,
Great news!
Your flight just got upgraded to a G-IV aircraft (Challenger couldn't go down to FL today & back in time for tomorrow's trip; additional cost to you.
See pictures & diagrams of this aircraft here: <http://www.meridianaircharter.com/index.php?page=N403TB>
Will keep you posted with our departure.
Any word on the wire?
Please reply to all...

Here you go Larry,
Revised CL601 quote attached, please fill out/sign & return .
A 1400 departure works best for us in terms of tomorrow's projected aircraft activity; please advise if this is doable???

Hello
Mr Epstein is interested in the Challenger, he asked me offer \$25,000 for this trip?
Please let me know if this works

Thank you,
