Hey Cheryl. I didn't hear back from you. Do you need to send me a new contract for the extra shelves? How do we proceed? :) Lesley

Hi Lesley,

Here is what the shelving unit will look like behind the door. The section will be 33" wide. The cost for this is \$638 with \$50 back from Costco = \$588.

Let me know if you would like to proceed.

Thanks again!

Cheryl

I just looked at my notes and actually that wall is about 35.5" long ... So maybe we can do longer than just 20" but with a divider...please let me know when you can go have a look. Thanks

Lesley
