About House of SpeakEasy

House of SpeakEasy, a new charitably-funded literary organization was started to promote innovative ways of bringing writers and their audiences together, to raise awareness of great writing and to provide the public with entertaining and exciting ways to connect with the literary arts.

Although House of SpeakEasy has a number of charitable initiatives in the works, it is our flagship program, Seriously Entertaining on January 27th that we would like to draw your attention to in particular.

Seriously Entertaining is a series of cabarets showcasing an outstanding range of literary talent. We begin the series on 27th January with our inaugural gala, for which an invitation is attached, to be held at City Winery.
