Hello Ariane. Unfortunately, Reid Weingarten has had a small fire at his cottage and needs to attend to these issues today...Reid says he can meet with you tomorrow however...Jeffrey is asking if you would still like to meet with Mr. West tonight?

The lunch appointment with your decorators at 12:30 is still on as well as the 4:30 appointment with Larry Summers at 4:30.

Please advise if you would like to still meet Mr. West tonight.

I will come back to you with options to meet with Reid Weingarten for tomorrow.

Thank you,
Lesley
Assistant to Jeffrey Epstein
