Hi Terri. I want to apologize for not bringing the Xbox remote to your parents house. I completely messed up and didn't want to discuss in front of kids but I accidentally put it under the tree as if it was from Santa! You gave Ty plenty of nice things. He was super thrilled with the dance game!! Let's just leave it at that. So you do not owe me anything but I owe you for the entire half of your parents gift. Did you say it is \$90? I want to get a check in the mail. And thanks for the email on the 2 4 1 camp. Ike and I need to review and discuss

Take care and happy new year! Les
