A very Happy New Year from Capstar Chauffeurs!

Time certainly does fly and we cannot believe we are already entering the second year in the life of Capstar Chauffeurs. 2014 promises to be hugely exciting as we continue to grow and develop our fleet with the introduction of the much anticipated vianos and the expansion of our head office, all of which will facilitate our core commitment to excellence of service.

As part of our on going recruiting drive, we had the tremendous pleasure of welcoming several new members of staff at the close of the 2013 and can now proudly announce that we are officially tri-services with at least one representative from the Navy, the Airforce and the Army as part of the Capstar team. We are naturally delighted and can't think of a more auspicious start to the new year.

As collective doors open once again for business after the festive break and we begin to look forward to all that new year has to offer, make sure you are ahead of the game and start booking your cars for early 2014 now.

Thank you,

Charlie Bowmont,
Managing Director of Capstar Chauffeurs

We have been following the progress of the amazing Race2Recovery Team as they embark on their greatest challenge of the year, the 2014 Dakar Rally. This race is a huge test of endurance for an able bodied individual so its all the more impressive that its been undertaken by disabled and injured ex servicemen and women. The race concludes on 18th of January and we are thrilled and proud to have been able to offer our support.

Slightly further afield...

Time to escape grey January? Whether its a journey to the airport or something even further afield, let Capstar make every journey a pleasure.

We are very excited to be in talks with Veterans Aid, a wonderful charity which offers support for ex servicemen and women in crisis. The charity has a fantastic ethos of offering a hand up rather than a hand out to veterans by delivering practical support, help and guidance. We hope in the future to offer employment opportunities to veterans looking for a new career and a secure future.
