Hello [REDACTED],
JE has still not decided whether he will be going to the ranch tomorrow for a couple of days or coming down to palm beach.
He has just told me that he would prefer if you were in tomorrow just in case. I know this is very last minute. I am thinking the best option would be to move your flight to an earlier one tomorrow. Please let me know if this would work and I can start looking for flights.
As this was counted as a holiday day for you we will have to make it up to you by giving you a future day off.
Thank you
