request is in for next wk not next thursday with connection to Rony Shimony with his cell so that the follow up with him as well. Dr. S said he's seen JE recently do you know if that was at Sinai or at Lenox Hill before he moved here. would be helpful to know if he has a footprint here on our electronic medical record. let me know. will circle back with time date and location when I have it you could also hear directly from Yvonne in Dr. Busse's office as she has the "office" number and your name. Happy to help. pls say hi to JE and tell him I'm on it! Best Robin
