Capstar wishes you a very Happy Christmas and a prosperous New Year

The Christmas party season is very much upon us and at Capstar, we have been celebrating a new milestone in the life of the company. We are delighted to announce that we have recently completed our **200th journey**. Thank you to you all for your invaluable support and we hope you will enjoy helping us complete the next 200!

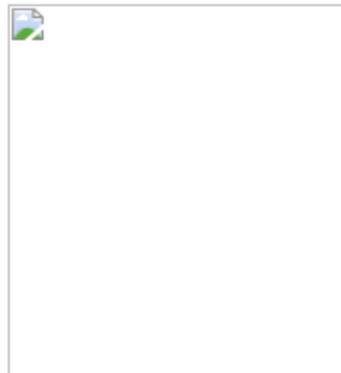

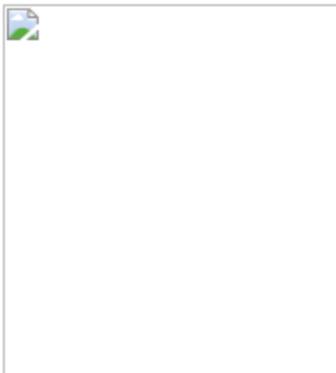

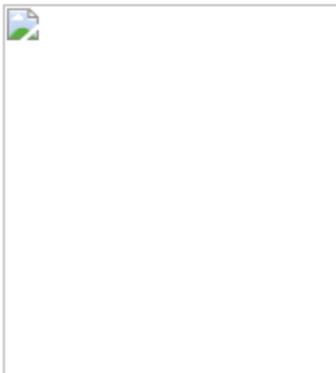

As the word spreads about Capstar, we have been receiving a lot of coverage in the media. We'd like to share one particular short film featuring our chairman Rob and Danny, one of our newest recruits. It only lasts a few moments, but it's a wonderful insight into the mission and the ethos of Capstar, so please do watch it.

As the temperature drops and thoughts turn to Christmas, we have been busy preparing for the festive season. Capstar will be open and is taking bookings for the whole of the holiday period so please don't hesitate to get in touch and let us take the stress out of Christmas!

Thank you,

Charlie Bowmont,
Managing Director of Capstar Chauffeurs

We are delighted to be providing support to the amazing Race2Recovery Team in their latest endeavours. These extraordinary volunteers, who are largely disabled ex service veterans, inspire the wounded as well as raising vital funds for Help For Heroes. For more information, please click on the image above.

The On Course Foundation fosters self belief and confidence in injured and disabled veterans by providing them with training and careers in the golf industry. One of our own team members has been a beneficiary of the foundations excellent programs and we are delighted to be offering our support to this inspiring organisation.
