Dr. MEchanick's office needs to discuss getting a new script for you with the doctor. Since it is a controlled substance we will need to have Jojo go and pick up the actual script for you. Maria in Dr. Mechanick's office will speak with the doctor and get back to me. I told her we want to pick up the script today so we can have filled.

Jojo, as soon as I speak to Maria and know the script has been written I will let you know.
