I have no update for Dec. really...I have that JE flies back to NY on Sunday Dec 1 ...JE just had me tell someone he will be in Miami on Dec. 7th (not sure if that is really true, of if he just wants me to tell this person he will be there...we will see) I have that he will go to ranch on Dec. 10 then San Fran on Dec. 12...then he mentioned Mongolia (hmmm) then I show back to ranch on 24th and from ranch to PB with Woody on 29th...
