This is the time of year when things really start to ramp up! My calendar is getting so full already!!

-Yes! Let's go to Wendy's together. For sure I want to stand in the corner with you! We should go on time for a place to park and then leave early!

-Yae! You will go to Milligan's late! That's when it starts getting fun anyway! We need a sitter! I am totally cool with boys at our house with the Bucci girl if [REDACTED] is. I just feel like every time we do your house and you have to get up early cause of [REDACTED]. But I also know you have the way more fun house. Whatever you want to do is fine with me. I just want to make sure you know we are always available (and thank you for paying for the babysitter last weekend!)

I told Ike last night you could piggyback on a gift. We are seriously contemplating an Xbox. He wants it so bad. I don't even know what to buy really (does everything you need come together? I'd think so). But if we do that you could get him a game (maybe football?) and I know he wants an extra remote so a friend can play. But we told him he needs to get good grades. We will know that soon. I asked [REDACTED] last night to think on gifts.

And for Mack and Peter, we could go in on a jersey for them? I'll bet Ike knows what teams they like. Or we can always ask the moms. Shoot I just saw Kristen on the train! Could have asked!

We have another party at Bob Prince's house (second guy at Bridgewater) the night of Milligan's but we won't stay at that very long...we will definitely come to Milligan's after. I am glad this is working out because originally we were going to end up with another party that night too...now we can go to Milligan's...just need to doublecheck that with Pat. We have the main Bridgewater party the night before that, ugh!

>> YES, we need gifts for all boys and I have not purchased! Am willing to go in with you on something...wait, i did purchase for Holden this weekend when I went with [REDACTED] to toy store. We bought [REDACTED] Goetz a gift also...Holden is 'in' to Hero Factory legos so we bought one of those things...

If you haven't got the invite for [REDACTED]'s you will soon...his mom asked for your email..she said she wasn't inviting the team but wanted to invite [REDACTED] because he likes him and plays with him when he is here visiting [REDACTED].
