Hi Scott...Hope all is well...am I still allowed to ask you questions?? :)

Since you were here last and updated my computer, i no longer have the folders i created in my gmail...how do I get them back? One was Travel, one was personal, etc...

I DO stil have these folders on my computer at JE's house as well as the computer at my house..

can you let me know...I have clicked on lots of stuff but they are not coming back...

Thanks, [REDACTED]
