Hi [REDACTED]. I agree with her about which suite is nicest.. The Beach club resort is literally right next to the yacht club resort.. they essentially share the same pool areas... the Boardwalk is across the small lagoon.. 4-5 min walk.. and is actually where the ceremony will be, though that is only a small part of the event.. If you want to contact her directly.. I am fine with that.

Good Morning Lawrence,

So sorry about keeping you up last night....It was 6:30 pm est here and I didn't even consider your time zone...especially since you were responding to my emails so quickly. To be perfectly honest....I thought you were in Arizona or at least in the US.

I have a few options for your guest....the rates quoted below are 10% lower than our rack rate for January 2014.

-
The Beach Club Resort

Two Bedroom Suite (W2) 1095 sq ft \$1306 plus tax per night. Pool view/Courtyard view

The BoardWalk Inn which is just across the lake from the Yacht Club

Two Bedroom Suite (IU) 1288 sq ft \$1321 plus tax per night Garden View

Two Bedroom Suite (IV) 1300 sq ft \$1790 plus tax per night boardwalk/lagoon view

Personally, I prefer the BoardWalk Inn two bedroom suite (the IV) because it is more spacious and the view of the boardwalk, lagoon and the Yacht and Beach Club is very nice. After you have had an opportunity to review the attached floor plans, just send me a quick email and I would be happy to book the nights he has requested....arriving 1/5 and departing 1/8.

Hope you have a great day!!

Candice

They are both Deluxe resorts. So they are comparable. If it is available, I will send you a floor plan so that you can get a general idea. If you would like to check on it in the meantime...go onto [REDACTED] and go to the Beach Club. The suite is a two bedroom suite...the code is W2. If you just go in as if you are attempting to book it...you can see what it looks like. They would have the floor plan on the website. Then you can let me know if you think it would something he would be interested in. Another option would be for me to check the BoardWalk Inn which is within walking distance around the lake...just opposite the Yacht Club.

I will get back with you as soon as I can in the morning.

Yes.. if that is available that would be great.. money is not an object for him.. it needs to be a nice suite.. I don't know about the quality of the two hotels.. hopefully they are comparable. Thank you!

True! There really are no suites available at the Yacht Club.

By any chance...did he try the Beach Club. Technically...they are connected so he wouldn't be far away. I believe there is a two bedroom suite (W2) available.....but I would have to check on it further in the morning. Do you think he would want that if it is available?

One of our guests is a billionaire friend, and he wants to come to the wedding, and he tried to book a suite at the Yacht Club resort for Jan 5-8 so he could be with us, but his assistant was told there are no suites left.. Can you help us? Please??!! It is amazing he wants to join us for this long there, and it is important to me.
