> I think Dom must have changed his number also because he would have gotten right back to me. Tonite when I land I will see who I know who may have it. But like I said, he lives in LA and also always traveling so the chance of him being in NYC is slim. And I'm pretty sure if JE decides to invite Lewis, he's probably on the road or always busy without a bit of a heads up. He may just be stuck with me, which is a good deal because he only needs to get ONE bottle of red wine, although I will be happy to pick one up!
