Hi Andrew. Jeffrey has a new plane and I was wondering if we could set it up with flight alerts as we had with his other plane. The new tail number is N212JE. Perhaps Larry has even spoke with you about it already. It is very helpful to have this information and whoever was set up to receive alerts with Jeffrey's other plane should be set up for this plane too

Thanks and let me know if I or Larry need to do anything else.

Thanks,
Lesley
