Dear [Telecharge.com](http://Telecharge.com) Patron:

Thank you for ordering E-Tickets from [Telecharge.com](http://Telecharge.com). Here are your Telecharge E-Tickets. The PDF file attached to this email contains your tickets. Please do not delete this email. You must PRINT your tickets and bring them with you to gain entry to the venue. Images on smartphones cannot be used.

The E-Ticket that you print is a valid, legitimate ticket. Keep it safe like any other ticket. Only the first scan of the ticket's unique barcode will be permitted to enter the venue, so do not photocopy or print multiple copies of the tickets. If duplicate tickets with the same barcode are scanned, only the person whose name and credit card match the original purchase will be admitted to the venue.

To print these tickets, you must have an inkjet or laser printer (color or black & white) with at least a 300 dpi resolution. Please be sure to print the tickets at their full size; each one should fill an 8.5 x 11 inch (A4) sheet of paper.

If you are not able to open the attachment, click here (<http://www.adobe.com/products/acrobat/readstep.html>) to download the latest version of Adobe Acrobat. If you are using Outlook Express and it tells you the attachment to this email is "unsafe," please go to the "Tools" menu, select "Options" and click on the "Security" tab. Uncheck the check box which reads "Do not allow attachments to be saved or opened that could potentially be a virus" and then click the "OK" button. Don't worry, the attachment to this email is NOT a virus, and you can change that setting back after you have downloaded and printed your tickets.

If your ticket is lost or stolen, or you are unable to print it, please call us immediately at [REDACTED] or [REDACTED].

Thank you for shopping at [Telecharge.com](http://Telecharge.com), your direct connection to the box office. We hope to see you again soon! If you have any questions about your order please e-mail us at [REDACTED] or call us Monday - Saturday 9am-9pm, Sunday 9am - 6pm (Eastern Time) at [REDACTED] or [REDACTED]. We hope you enjoy the show!

Regards,
