Hi Scott and Jermaine...Jeffrey would like you to speak with Joi (pronounced Joey) Ito re the new Sony Projectors that are out...Jeffrey wants to probably purchase one for Zorro...below is an email stream between Joi and the people at Sony. I will send an email to Joi and both of you explaining that JE wants you to speak with Joi re this...

thanks, Lesley

> I'll be happy to help you take care of all your Sony shopping and answer any Sony questions. As Phil has mentioned, the new 4K projector is being released in Nov. As your account manager at Concierge, I will keep you updated with the latest news. I'll be your go to person for all Sony products. I'll make shopping for Sony easy and seamless. One of the amenities of being a Concierge member is access to priority notification for all your Sony products. What that means to you is immediate notification to all the newest and hottest Sony products. You would be able to pre-order products - like PS4 and VPL-VW1100ES - and be first at line.

> Are we upgrading a current projector? Where will this new projector be placed? Another amenity of being a Concierge member is access to our Sony installation team. The benefit to you is a personalized design and on-site installation to create an enjoyable home entertainment experience. If you would like a consultation, I'd love to schedule it for you. It is a \$99 fee, however it is returned back to you once we proceed with the installation. If you have any questions, please feel free to contact me. I look forward to hearing from you! :)

A custom integrator can provide the best recommendation, and you also can always reach out to your Sony Cierge representative directly as well with any questions.
