I spoke to Laurie..Jeffrey wants her to call him back at 4:30 so all set there

The no commute is actually quite awesome! I have been tremendously busy with JE and my computer at home and iPhone work seamlessly...I only need to get my contacts fixed here at home...something is wrong...I will see if Scott and I can figure it out over the phone...there is a triangle with an exclamation point next to the iCloud in directory and it is not updating...but besides that, all is good. I do wonder when they will get the trains back up and running though

I am fine with Scott updating my computer at the office and JE's house...probably a good idea. thanks for asking. HAVE a great weekend
