Thank you Lesley,

[REDACTED] did not fall through the crack here at the residence.

The only problem was that our texts and calls did not get through to let Sue or JE know of his arrival because of their location in Central Park. They had no reception.

The professor was greeted, seated, asked if he wished to have a refreshment, updated on JE's status (no specifics) and time frame to return as was his wife when she arrived.

He left right before JE arrived only because he was tired he said; he had arrived in NYC at 2 am and had risen at 5 am.

Best regards,

Mark Tollison
