You are confirmed on flight AA#1073...still waiting for you ticket to come to me...

AA Confirm # [REDACTED]
Amex Centurian Rec. Loc# [REDACTED]

Amex assures me you are confirmed and can check in at the airport with either of the above numbers. I rec'd a receipt from American Airlines w/the fee they charged for changing the flight..for some reason, just not the ticket yet. but you are good to go. Departure is from LGA at 1:45pm
