Hi Dawn...thanks for checking in...Jeffrey would like to send you \$5000.00
Could you be so kind as to send us the proper address to send the check to again and to who's attention?

Hello Lesley,

It is me again, I am sorry to bother you.....I was asked if I could check in with you all. You don't have to ask J again but if you have a feeling if it is a no for now or the time being than I could let the Ballet know so we can explore other options. If J just wants to do occasional donations down the road or whatever is best, that is most wonderful.

I hope all is well at your end! Thank you again for your help, Dawn
