Thank you so much for your letters, dear [REDACTED]! I will certainly google to get to know more about Mr.Koons!

I've just arrived to NY this afternoon and I still don't have a new phone card to use in states. I have only my [REDACTED] number. But anyway, tomorrow I will get in downtown to present myself at school office and I will try to get my new phone number so that I could let you know it.

Many thanks again for all!

Hi [REDACTED]...Jeffrey wanted me to let you know Jeff Koons will be coming to the dinner on WED. night along with his wife, Justine. Jeffrey thought you could "Google" him before coming...below a little from Google:

Jeffrey "Jeff" Koons is an American artist known for his reproductions of banal objects—such as Balloon animals produced in stainless steel with mirror finish surfaces. He lives and works in both New York City and his hometown of York, Pennsylvania. [Wikipedia](http://en.wikipedia.org/wiki/Jeffrey_Koons)
