Robert McCoy is our travel agent who works very closely with Neil. The =
flights below would work just fine for Neil's quick trip to NYC. Robert =
has all Neil's information so basically all that's needed is a credit =
card to book the airfare. When that's done, Robert sends us eTickets. If =
this works for you let me and Robert know. All Robert's and my contact =
information is below for your reference.  Please let me know if you need =
any additional information, etc.
