Hi,

Not sure about stove, that is the way I saw it also, burners are missing,.

-SLK is the internet in 11J, password: liberte525

-i never got the TV to work, Bella was working on it when I left,.so TV still maybe inop.

Thx,

Larry

Please see below from [REDACTED]. Larry, you were just there, how did you finally get Internet working? What is the network name?

[REDACTED], are there burner covers for the stove?

Thanks, [REDACTED]

Hi [REDACTED], [REDACTED]

Just arrived. What a gorgeous apartment!!! And thanks so much for picking up groceries. Super helpful!

2 questions

1. The network password is on the letter, but the network name is not listed and there's no 11J. The modem appears to be on & I've tried most of the networks, to no avail. Guidance?

2. The stove looks amazing. However, it seems that something should be on top of each burner in order to cook. The pan, otherwise, doesn't have a flat surface to sit on. Psyched to cook that kale! Guidance?

JE,

It's a long shot (lots of moving parts) but Red Burns passed away yesterday, funeral is Wednesday. If I can get in Tuesday night (late), possible to stay at an apt at 301 Tuesday thru Thursday? I'm supposed to be in mtgs in LA. Still figuring this out. Thanks.
