Also, there is no bed frame or dressers or side tables in the bedroom yet. Probably not the best apt to use for anyone till its properly furnished.

Wow. Ok thanks larry and [REDACTED]. [REDACTED], we will probably need to move [REDACTED] to another apt. She comes here to work and will need Internet. Can you help her move? She says she will be up at 11am and has conf calls starting at 11:30. We can move her to 11b So same floor makes it easier!

I agree with [REDACTED], the oven looks new, and burners may be in bottom drawer, the refrigerator has a missing decorative piece at the top of refrig, looks like a brand new refrig also...that still needs to be proper installed...

No idea on burners. I never had a chance to use the apt. They may be inside the oven still.?
I was in yesterday to grab my apple time capsule. It had a back up of everything on my computer so I couldn't leave it there! I probably messed up the Internet doing that.sorry. Maybe Scott can help remedy?

This is very helpful!! Thank you Larry!

[REDACTED], any ideas about the burner covers for the stove? Seems bizarre they wouldn't be there.

Please see below from [REDACTED]. Larry, you were just there, how did you finally get Internet working?
What is the network name?

[REDACTED], are there burner covers for the stove?

Thanks, [REDACTED]

Hi [REDACTED], [REDACTED]

Just arrived. What a gorgeous apartment!!! And thanks so much for picking up groceries. Super helpful!

2 questions

1. The network password is on the letter, but the network name is not listed and there's no 11J. The modem appears to be on & I've tried most of the networks, to no avail. Guidance?
2. The stove looks amazing. However, it seems that something should be on top of each burner in order to cook. The pan, otherwise, doesn't have a flat surface to sit on. Psyched to cook that kale! Guidance?

I should be up by 11 am, maybe before. Will check email on my phone for something from you and may call. I have consulting calls at 11:30 & noon.

It's a long shot (lots of moving parts) but Red Burns passed away yesterday, funeral is Wednesday. If I can get in Tuesday night (late), possible to stay at an apt at 301 Tuesday thru Thursday? I'm supposed to be in mtgs in LA. Still figuring this out. Thanks.
