Hi Robert,

These flights work great for Neil. Leslie by way of introduction Robert McCoy is our travel agent who works very closely with Neil. The flights below would work just fine for Neil's quick trip to NYC. Robert has all Neil's information so basically all that's needed is a credit card to book the airfare. When that's done, Robert sends us eTickets. If this works for you let me and Robert know. All Robert's and my contact information is below for your reference. Please let me know if you need any additional information, etc.

I hope to see you again soon!
Kindest regards,
Theresa Tomic

Hi Robert,

How about a 5:00pm Dep from Bos to LGA on 4 September. Can Neil return on the 9:00pm flight from LGA to BOS on the same day?

Thanks

Hi Robert,

Can you check flights for Neil to go to Laguardia (LGA) on Sept 4th in the late afternoon?

He would like to take the 4 September 2013 5:18P or 6:18p flight and return the same evening 4 September 2013 on the last flight 9:00pm.

Can you let me know so I can update Neil as he is in Japan now at the FabLab conference.
Kindest regards,
Theresa

Lesley, Theresa,

I'm going to join Jeff for dinner on Sept 4.

I need to be in Boston midday on the 4th, and back that night.

I could take a mid-late afternoon Shuttle down (US Air), then car from LGA, and either last Shuttle back (9:00P), or air taxi to stay later (Linear Air).

Can you work together to arrange?

Neil

Do you have someone my assistant can work with to arrange?
