I think you should wait unless you want to see "before and after", right now the place doesn't show well and we don't start renovations until September 15th. I think it would be for Daphne to meet our sales manager so that she can see our our model rooms and new restaurant drawings, this way she can negotiate a corporate rate for you visitors starting 1/1/2014. We are also doing a \$300,000 landscaping redo as well as rebuilding our electric plant. Good to hear from you.
Warm Regards,
Rich
