Darren - We have the pink slip and Lori is overnighting it to you tonight for priority delivery tomorrow morning. Regarding the IR, we did receive the documents for Hyperion Air LLC but my IR girl did not realize it was for a different entity than the one that is already on the IR (Hyperion Air Inc) and they shredded them. I really apologize for this and if you or the person that sent them to us kept a copy, if you or they could scan & email it to us, that is all we need. We do not need the originals. I am really sorry.
