Subject: Suhmy Chang

Hi Peter,

I just spoke with Suhmy Chang and she is available to Skype with our Client. Her preferred time(so she is guaranteed to be in a quiet suitable place) is 7am or after 7pm. Her Skype address is [REDACTED]

I wanted to address briefly with you her current low compensation. Suhmy was originally hired as a second assistant and after a month the first assistant quit, the family decided not to replace the first position as Suhmy is handling both seamlessly, they have decided not to increase her wages to compensate the change, which is why she is exploring a new position.

Hope that helps clarify your question,

Judith
