NEXT STEPS FOR PLANNING YOUR STAY

Transfers

All major and domestic airlines serve Seattle-Tacoma International Airport. Depending on traffic and weather, transfer time from the airport to the Hotel is 20 to 30 minutes. All major car rental companies operate at the airport, and taxi and limousine services are available. Please e-mail [Concierge](#) for more information.

Dining

Inspired by the Hotel's collection of works by the Northwest's foremost contemporary artists, its proximity to Seattle Art Museum and our chef's creative flair, [ART](#) Restaurant and Lounge celebrates authentic Pacific Northwest cuisine with unique global influences. With a setting as thoughtfully designed as a work of art, the restaurant's interior is a highly detailed sculpture featuring woods native to the Pacific Northwest. Floor-to-ceiling windows offer sweeping views of Elliott Bay and the Olympic Mountains. Advance bookings are recommended, please [click on the Open Table link](#) to reserve your table.

Spa

Welcoming and tranquil, [The Spa](#) is an urban oasis. Surrender to innate purity in the Spa at Four Seasons. The 6,000-square-foot (557-square-metre) facility embodies the natural elements of the coastal region of Puget Sound. Providing an oasis from the hustle and bustle of downtown, the Spa's soothing décor combines water, basalt rock and glass tile in an urban interpretation of the Northwest's rugged natural beauty. The Spa's signature and restorative spa rituals represent the best of the ancient healing practices from various cultures to provide key therapeutic benefits for our guests. To book your appointment in advance (recommended), please [click on the attached spa form](#).

Should you require additional information about our hotel, please visit our web site: www.fourseasons.com/seattle. Our site includes a comprehensive guide to hotel services and amenities, menus, directions and maps, weather information, floor plans and photographs of our hotel.
