Yes, there will be a caprese salad, a grain salad and a green salad, sliced fruit, different types of frittatas and scones. Coffee, tea, etc...

I hope that is to their liking. Let me know if there is something specific to be added.

Thanks,

Catherine

awesome! thanks so much...and I know we spoke, but to reiterate, I do think it would be nice if there were salads to go around for all! :)

Perfect. Thanks very much. I am assuming that the five guests will join him for the meal, right? Also, there will be two cars with drivers available for them while they are on campus so that they are free to move around as they wish.

Thanks so much.

Thanks.

On another note, as they are arriving at 11 AM, Leon would like to know what they would like to eat before the 1 PM Opera talk. They can have a brunch at the house, for example. If that sounds good to them, please let me know what they would like. Or if they have another request, that is certainly fine as well.

Put in Leon's house, and if anything changes, I will let you know. I am guessing that Leon will greet him when he lands, and that there will be two cars available for all the guests (5 + Jeffrey, yes?).

Morning Catherine! I wanted to let you know Jeffrey has heli wheels up at 10:30am on Sunday July 28th to come up to Bard...as soon as I know exact landing time, I will pass along to you...but for now, you can at least let Leon know Jeffrey does plan to come early so they can chat some prior to the 1pm Opera Talk.

Thanks, [REDACTED]
