---

No way!! So he is not going at all? Wow.

Party was tremendous but I am moving slow today!

> Larry received your message. I will forward an updated itinerary shortly. Tail number for the morning will be N7660S. Evening tail number will be N7601S. Will these additional passengers be on the evening return as well? All communications with the crew are routed through our flight operations center at 888-235-9224. Call that number and we will advise the crews of any changes.
