Lesley,

DEF CON, being a hacker conference, is cash only at the door. Badges are \$180.

I'm not going to get to Las Vegas until Saturday afternoon. If you have anyone in town earlier than that, maybe they can swing by the Rio and pick up as many badges as are needed for Jeffrey's entourage. Badges should be on sale Thursday and Friday, the line might be pretty long.

I would volunteer to do it, but I have a meeting in San Francisco so I won't have time!

Pablos.

Hi Pablos! I know Jeffrey will be bringing along an entourage with him to Vegas...when do you need his final lists of names for badges by?

Hello Pablos. Hope you are well. Jeffrey wanted me to check with you on the Vegas date...Is Sat. Aug. 3rd the evening you wished to spend in Vegas?

Please let me know!

Let's do it. The best plan is if Jeffrey can come by DEF CON in the afternoon, around 3:00 or 4:00 p.m. and I can show him around. Then we could get dinner together in the evening. This is the event website:

Let me know if he wants to bring anyone else. I will get badges for them so they can come into the conference with me.

Pablos.
