He cancelled the Harvard trip on the Sunday 28th. Instead he is going to Bard this day (that is why he needs the helicopter on 28th). Jeffrey is now going to Harvard this Friday July 19. His first meeting is at 1pm (I will get you the address...it is actually at MIT I think) . Karyna has purchased herself a ticket to fly to Boston this Friday landing around 7:30 I think. Has Jeffrey not talked to you about this?

We only have 2 apartments available. Is there another pilot coming with Dave that needs a place to stay also?

> Hi Dave. I am assuming you will be flying JE to Harvard on Friday. Do you have the particulars? Flight departure, arrival, to what airport, car service? I know you are about to fly now and will need to answer me later! Thx Lesley
