Hey Larry,

Most urgent need is a compact to mid size telehandler. Will also need bucket, tree boom and fork attachments for the machine we get.

For the backhoe, we need something like a Cat 420.

Dump truck needs to have 10 yard capacity. Hopefully something with a fiberglass body. Our International and Mack are dissolving at a very rapid pace.

Would like to go as low tech as possible on all equipment. Preferably not enclosed cabs, no ac, no stereo, etc. Jcb equipment hasn't been holding up well, would like to avoid. Like to stick with Cat and John Deere. Bobcat seems to have some nice telehandlers as well.

Hope this helps.

Thanks

Roy
