Thank you for organizing this.

In the meantime, a big box from target arrived at the flat. I accidentally opened it and then realized it was addressed to you. It contains an air mattress.

I'm leaving a black duffel in the front closet by the door. It's unobtrusive. Thank you!

I also wanted to let you know that there is a LOVELY white chair in the flat's bedroom that is completely covered in soot from the backside from some sort of work that must have been done on the AC. It should be cleaned by the cleaner, because it is such a lovely chair and it is a shame for it to be so filthy. Also [REDACTED] has some of the flat's lights she used to test out on another apartment. Without them, the flat is a bit dark... And finally, I really know this is not your problem, but the HBO channels on the TV are all, confusingly in Spanish. If there is a number for me to call, I will gladly take care of it... I just don't know who your provider is!

Thank you for everything and see you in mid July!

Jeffrey would like to provide you a car to the airport tomorrow. Could you provide me with
your flight details and I will set it up!
