"LIST PRICE" is the suggested retail price provided to us by our suppliers. We make no representation that a substantial number of these products have been sold or offered for sale at the list price. Actual retail prices in your area may be substantially different. Because we sell our merchandise over the Internet on a national basis, it is not possible to know if our merchandise is sold at list price in any particular location or at any particular time. Because the list price may be different than the actual retail prices in your area, you may not actually realize a savings of this amount and may want to make an exact comparison for yourself by checking the prices of other Internet or local retailers prior to making a purchase.
