Great. Danielle is holding that date for both a tour during the day and a dinner.

Linda,

Thanks for the note. I think the 8/20 date can work, but have to verify with Shawn. I will ask her to check Tom's schedule as well.

I'm excited about the visit.

Thanks!!

Mark -

This is terrific!

Separately, Joi and I were talking about the possibility of a tour for you, Tom, and Jeff Epstein, followed by a dinner at Joi's. There were a set of dates that were possibilities on Joi's end.

Sounds like you want to bring some folks from your team to the lab. Best to do these visits separately or is there a way to overlap?

Joi's August date is August 20.

Sept/Nov dates (which may have changed by now) are:

Sep 12, 13, 16, 19, 20, 23

Nov 1, 7, 8, 15, 19-22, 25

Thoughts?

Best,  
Linda

Many thanks for the very prompt reply! Great to hear from you.

Shawn will reach out to Danielle and Ryan and we'll make this happen. Linda - it would be great to see you at the same time so I'll ensure that you are in the loop on this as we move forward.

All my best,  
Mark

Hi Mark,

Great to hear from you. Would love to have you over at the Lab.

Danielle manages my schedule and Ryan can coordinate the visit. I'm adding Linda to this thread to keep her in the loop as well.

Thanks!

Hi Joi,

I hope you are doing well. It has been a while since we were together at TED, but I have been getting episodic reports on you from people who have had the chance to see you.

I am trying to find some time in August to come to see your place. I would like to bring some colleagues with me as well. I am interested to see if Hyatt could find a way to engage with some of the students in the Lab.

My assistant, Shawn, is trying to organize this from our side. Is there someone with whom she could coordinate to try to synch up with your schedule? If so, please let me know.

All my best,  
Mark
