yes, Martin will be there...you know...you are right! Jeffrey usually goes on the weekends to visit Harvard! On the weekends, the institute is locked up! But this is a Friday! I'm sure the institute will be open like normal...oops.

Thank you for your cell number...and I think if you need to leave for a 4pm meeting it will be just fine! thanks

Also, as you approach Martin's institute please call Svetlana, Jeffrey's assistant on her cell: [REDACTED], and she will come down and let you in!

Mike, can I scoot you to 2:30? I am afraid Jeffrey will not be able to make 2:00 and this will give him a little cushion and not waste your time!

Can he see you at 2:30 instead Friday? (So sorry!)
