Please see below from George. I have CC'd [REDACTED] here...perhaps [REDACTED] can come to you and help with the signing up process...

That is wonderful news, since my staff are motivated by samples that are part of research. So next steps. Since this is a rush on my end, it will be a rush at your end as well. Jeffrey needs to sign up here:

There are a few tedious steps -- for which I apologize in advance. Perhaps someone on your staff can help with most of them. If we can't do it this Friday, we will at least aim for a near-future trip.

Best wishes.
