Subject: Re Lyn's sister start to work

Date: Mon, 17 Jun 2013 13:54:06 +0000

Good morning Lesley, I received the cc e-mail from Mr. Epstein but like to ask you to hear me first. I appreciate our boss confidence in me but do you think it is better for Lyn to show her sister the ropes of the job there? You know Lyn she is good but territorial and I feel it will be good if Lyn will be the one to work w/ her this time .

Lesley I do not want to say no to Mr. E and i will be happy to help but i feel letting them do it this time is the best way to start her job at 71st.

Lesley let me know what you think.

Sincerely,

[REDACTED]
