Hi Roy, Steph and Larry. Hope all is going well. Wanted to let you know Jeffrey has invited Joicho (Joi) Ito to the island for a visit along with "some more interesting people" on July 3rd. Not sure how many or even who! I guess that is to be determined! Jeffrey says that he will have his helicopter meet Joi at STT airport and that Joi can fly back to NY with him on his plane on Sunday July 7th.
