Subject: LLC annual report for review

Darren,

I thought it would be easier to review in stages. Here are all the LLC's that I will be filing. I will send the Corps after you review these. If there are any additional LLC's that exist that I do not have please also advise.

All changed to indicate [REDACTED] address:

Designated office and Principal Office

Please review ASAP as I want to send hard copies to NY for signature.

Thanks

Jeanne
