Lesley,

Thank you so much for the picture. You certainly live with an attractive young man who I am sure is as bright eyed, smiling and happy on the inside as he is on the outside. A tribute to you and the fact that you understand what is most important in your life.

Doug and I stayed in your new apartment, 8A. It is an efficiency apartment, a bit tight, but it worked and we appreciate it. It was raining the day we were there, so the weather was cool and we opened the windows and slept comfortably, however, if you didn't know, I thought you should know that the air conditioner does not work. Again, we greatly appreciate your kindness. It certainly eliminates the pinch of poverty in these bad times. Let's all keep smiling and look forward to a happier day.

Jerry
