French no visa needed

HI Jean Luc...Jeffrey says you and possibly Jessica will be flying with him to Paris this Thursday, June 6th, wheels up 10pm...Our pilot is requesting you please send us **as soon as possible** all of the below for both you and Jessica:

Full Name as it appears on Passport
Date of Birth
Passport #
Passport Expiration
Home Address
Citizenship
Visa if needed

If you could make a copy of your passports, scan and email them, that is extremely helpful.

Thanks so much,
