Subject: Book for JE needs to be picked up

Date: Sun, 02 Jun 2013 20:56:40 +0000

Hi [REDACTED]...might you be available to go and buy a book for Jeffrey tonight? He needs it to give to Mort Zuckerman tomorrow at 6pm. If you are not available tonight, could you please talk to [REDACTED] and see if she might be available to do it tomorrow before the 6pm appt (or [REDACTED] if she is in town, maybe her?) I just don't know which one of you might be available. I do know [REDACTED] has just arrived from South Africa and need some rest :)

I have put the book on hold at the Barnes and Noble at 160 E. 54th Street between Lexington and 3rd. The book will be at the front register under the name : [REDACTED]. The book title is:

Seneca, The Shortness of Life

it will cost around \$15 total.

As mentioned, we need it for Jeffrey's meeting at 6pm tomorrow.

[REDACTED], let me know if you can do this first...

Thanks, [REDACTED]
