Totally good for you to stay in Chez Slay from July 28-Aug. 8...I'm thinking when you depart for Boston just tuck your things away in a closet in the rare case we might need the apt for someone else, but I doubt it. As your date approaches lets circle back to a possible a lunch ok? I'm sure if Je is here he will want to see you! thanks, Les

BUT I come back on Monday August 5th and finally leave Thursday morning the 8th. So I'm thinking if its available that whole time, I could just leave a few things there, and certainly no need to clean the place the five days I'm gone unless you guys need it. Lemme know girlfriend!! And of course if JE is around in that time frame a lunch or dinner is ALWAYS fun!!! BS
